### **A. Call to Order**

The board began the meeting at 10:00 a.m.

### **B. Agenda**

Mr. Birdsall and Mr. Burnham agreed on the agenda.

### **C. Discussion regarding recommendation(s) to SJC Board Chair of neutral appointee to SJC Local Labor Board**

The board members requested the name of the board be changed to the San Juan College Labor Management Relations Board (SJC LMRB). This brings the name into agreement with the resolution governing the board's creation.

Names were submitted for consideration. All the individuals have already been contacted and have agreed to serve.

The board asked for copies of the entire resolution to clarify if the individual they selected was as a recommendation to the San Juan College Board Chairman or a final decision made by the SJC LMRB. Section 7 of the resolution states that the SJC LMRB is composed of members appointed "... on the recommendation of individuals representing labor, one member shall be appointed on the recommendation of the President of San Juan College, and one member shall be appointed on the recommendation of the first two appointees."

Mr. Birdsall and Mr. Burnham recommended Jenifer Olson.

### **D. Adjournment**

The meeting adjourned at 10:18 a.m.
