

San Juan College Tour Agreement

Thank you for your interest in San Juan College. We look forward to presenting our campus to you. Your campus visit will introduce you to life at San Juan College, our academics, programs, clubs, activities and beautiful facilities.

There are so many educational and career opportunities available to students through higher education. We hope that by presenting a concise, interesting tour geared toward your student's needs, they will be inspired with all the career possibilities we have to offer. We also hope to remove some of the anxiety and fears that prevent students from furthering their education.

The first step to requesting a tour is to fill out the "Tour Request Form" below. In order to assure we can accommodate your request, the completed Official Tour Request Form must be faxed (505-566-3500), mailed (4601 College Boulevard, Farmington, NM 87402 – attn: Skylar Masten), or emailed (mastens@sanjuancollege.edu - emailing is our preference) to our office **at least 2 weeks before your expected tour date**. If we do not receive the completed form before the 2 week deadline, we cannot guarantee you a tour.

Once we have received your request, we will schedule your tour and send you a confirmation email with confirmation number. **If you have not received confirmation at least 5 days before your tour, please contact Skylar Masten at 505-566-3532 to verify that your tour has been scheduled.** Please note, a phone conversation is not considered confirmation. You will be required to present your confirmation letter at the time of the tour.

We look forward to seeing you!
