

Lab Assistant Information Sheet

Please answer the following questions:

1. What degree are you seeking and when do you plan to graduate?

2. Have you ever been employed at San Juan College? If yes, please list the dates of your employment, what department you worked for, and your job duties.

3. Please list in detail your computer experience. Include any computer classes you have taken.

4. Have you read and do you understand San Juan College's Acceptable Use Policy?

5. How do you feel about children under the age of 18 using San Juan College computers?
