GENERAL CONDITIONS

The following bid is made for furnishing materials or services for San Juan College, San Juan County, New Mexico.

The bidder declares that the amount and nature of the materials to be furnished is understood and that the nature of this bid is in strict accordance with the conditions set forth and is a part of this bid, and that there will at no time be a misunderstanding as to the intent of the specifications or conditions to be overcome or pleaded after the bids are opened.

The bidder, in submitting this bid, represents that he is an equal opportunity employer, and will not discriminate with regard to race, religion, color, national origin, and sex in the performance of this contract.

The bidder hereby proposes to furnish the items or services bid on, F.O.B. Farmington, New Mexico, at the unit prices quoted herein after notice of bid award.

Bidder must fill in all information asked for in the blanks provided under each item. Failure to comply may result in rejection of the Bid at the College's option.

The College reserves the right to reject any or all bids or to waive technicalities at its option when in the best interests of the College.

If items for which bids have been called for have been identified by a "brand name or equal" description, such identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that will be satisfactory. Bids offering "equal" products will be considered for award if such products are clearly identified in the bids and are determined by the Purchasing & Design Office and requesting Department to be equal in all material respects to the brand name products referenced. Unless the bidder clearly indicates in his bid that he is offering an "equal" product, his bid shall be considered as offering a brand name product referenced in the Bid Schedule.

Equal shall be taken in its general sense and shall not mean identical. Specifications are for the sole purpose of establishing minimum requirements of level of quality, standards of performance and design and is in no way intended to prohibit the bidding of any manufacturer(s) item of equal material. San Juan College shall be the sole judge of equality in their best interest and decisions of San Juan College as to equality shall be final.

Pursuant to Section 13-1-108 NMSA 1978, the total amount bid shall exclude all applicable taxes including applicable state gross receipts tax or applicable local option tax. The College will pay for any taxes due on the contract and will pay any increase in applicable taxes which become effective after the date the contract is entered into in addition to the bid total based upon separate billings which the successful bidder shall submit with each request for payment. Taxes shall be shown as a separate amount on such billing or request for payment and shall separately identify each tax being billed.

To assist the College with budget preparation, the bidder shall complete the paragraph on the bid schedule of this bid and shall identify by name each tax, bidder believes to be applicable to this bid and shall estimate the amount of each tax which will be

charged on the entire bid.

Any bid received after stated closing time will be returned unopened. If bids are sent by mail to the Purchasing Agent, the bidder shall be responsible for actual delivery of the bid to the Purchasing and Design Department before the advertised date and hour for opening of bids. If mail is delayed either in the postal service or in the internal mail system of the College beyond the date and hour set for the bid opening, bids thus delayed will not be considered and will be returned unopened.

Bids deposited with the College cannot be withdrawn prior to the time set for opening Bids. Request for non-consideration of Bids must be made in writing to the Purchasing & Design Office and received by the College prior to the time set for opening Bids. After other bids are opened and publicly read, the Bid for which non-consideration is properly requested may be returned unopened. The bid may not be withdrawn after the bids have been opened, and the Bidder, in submitting the same, warrants and guarantees that his bid has been carefully reviewed and checked and that it is in all things true and accurate and free of mistakes and that such bid will not and cannot be withdrawn because of any mistake committed by the Bidder.

After Bids are opened and publicly read, the Bids will be tabulated for comparison on the basis of the bid prices and quantities shown in the Bid. Until final award by San Juan College, the College reserves the right to reject any or all Bids, to waive technicalities, and to re-advertise, or proceed to do the work otherwise when the best interests of the College will be realized hereby.

Bids will be considered irregular if they show any omissions, alteration of form, additions, or conditions not called for, unauthorized alternate bids or irregularities of any kind. However, the College reserves the right to waive any irregularities and to make the award in the best interest of the College.

The College reserves the right to reject any or all Bids, and all Bids submitted are subject to this reservation. Bids may be rejected, among other reasons, for any of the following specific reasons:

1. Bids received after the time limit for receiving Bids as stated in the advertisement.
2. Bid containing any irregularities.
3. Unbalanced value of any items.

Bidders may be disqualified and their Bids not considered, among other reasons, for any of the following specific reasons:

1. Reason for believing collusion exists among the Bidders.
2. Reasonable grounds for believing that any Bidder is interested in more than one Bid for the work contemplated.
3. The Bidder being interested in any litigation against the College.
4. The Bidder being in arrears on any existing contract or having defaulted on a previous contract.
5. Lack of competency as revealed by a financial statement, experience and equipment, questionnaires, etc.
6. Uncompleted work which in the judgment of the College will prevent or hinder the prompt completion of additional work if awarded.

The successful bidder may not assign his rights and duties under an award without the written consent of the College's Purchasing & Design Office. Such consent shall not relieve the assignor of liability in event of default by his assignee.

Delivery date is an important factor to the College and may be required to be a part of each bid. San Juan College considers delivery time to be that period elapsing from the time the individual order is placed until that order or work there under is received by the College at the specified delivery location. The delivery date indicated a guaranteed delivery at Farmington, New Mexico. In evaluating any guaranteed date of delivery, past delivery and service performance on previous College contracts will be considered. The College reserves the right to reject any bid if the guaranteed delivery date of any bidder is indicated unlikely because of the non-availability of stock in the vicinity of Farmington, New Mexico or failure of the bidder to meet guaranteed delivery dates or service performance on any previous College order.

The College reserves the right to demand bond or penalty to guarantee delivery by the date indicated. If order is given and the bidder fails to furnish the materials by the guaranteed date, the College reserves the right to cancel the order without liability on its part. All prices are to be F. O. B. Farmington, New Mexico all freight prepaid.

Whenever the Contractor encounters any difficulty which is delaying or threatens to delay timely performance (including actual or potential labor disputes), the Contractor shall immediately give notice thereof in writing to the Purchasing & Design office, stating all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery or performance schedule or be construed as a waiver by the College of any rights or remedies to which it is entitled by law or pursuant to provisions herein. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery or performance schedule because of such delay.

All bids shall specify terms and conditions of payment which will be considered as part of, but not control, the award of bid. College review, inspections, and processing procedures ordinarily require thirty (30) days after receipt of invoice, materials or service. Bids which call for payment before 30 days from receipt of invoice, or cash discounts given on such payment, will be considered only if the opinion of the Purchasing & Design Office upon the review, inspections and processing procedures can be completed within the specified time.

It is the intention of San Juan College to make payment on completed orders within thirty (30) days of receiving invoicing unless unusual circumstances arise. Invoices shall be fully documented as to labor, materials and equipment provided. Orders will be placed by the Purchasing & Design Department and must be given a Purchase Order Number to be valid. All Purchase Orders will be paid upon completion of delivery and acceptance.

Payment will not be made by the College until the vendor has been given a Purchase Order Number, has furnished proper invoice, materials, or services, and otherwise complied with College Purchasing procedures, unless this provision is waived by the College.

In case of default of the successful bidder, San Juan College may procure the articles from other sources and hold the bidder responsible for any excess cost occasioned thereby.

Except as to any supplies or components which the specifications provide need not be new, all supplies and components to be provided under this contract shall be new (not used or reconditioned, and not of such age or so deteriorated as to impair their usefulness or safety), of current productions and of the most suitable grade for the purpose intended. If at any time during the

performance of this contract the Contractor believes that the furnishing of supplies or components which are not new is necessary or desirable, he shall notify the Purchasing Agent immediately, in writing, including the reasons therefore and proposing any consideration which will flow to the College if authorization to use supplies or components is granted.

ARTICLE 2

SPECIAL CONDITIONS SUPPLIES

Periodic deliveries will be made only upon authorization of the Purchasing Department and shall be made if, as, and when required and ordered by the College at such intervals as directed by said Purchasing & Design Department.

Deliveries shall be to the location identified in each order within San Juan College.

The quantities shown on the bid are estimated quantities only. San Juan College reserves the right to purchase more than or less than the quantities shown. In any event, the unit bid prices shall govern.

The Contract will be awarded at the prices bid for a period of time as set forth in the Bid Schedule.

Bidder warrants that all deliveries made under the Contract will be of the type and quality specified; and the College's Purchasing Agent may reject and/or refuse any delivery which falls below the quality specified in the specifications. The College shall not be held to have accepted any delivery until after an inspection of same has been made and an opportunity to exercise its right of rejection has been afforded.

All manufacturers' warranties shall insure to the benefit of the College, and replacement of defective materials shall be made promptly upon request.

Failure by the Contractor to make reasonable delivery as and when requested shall entitle the Purchasing Agent to acquire quantities from alternate sources wherever available, with the right to seek reimbursement from the Contract for amounts, if any, paid by the College over and above the bid price.

All materials delivered shall be free of any and all liens and shall upon acceptance thereof become the property of the College, free and clear of any materialman's, supplier's, or other liens.

Regardless of the award of a Contract hereunder, the College retains the right to purchase the same or similar materials or items from other sources should it be determined that doing so would be in the College's best interest, based on cost and quality considerations; however, in such event, the Contractor will be given the first option of meeting or rejecting the proposed alternate source's lower price or higher quality.

Acceptance by the College of any delivery shall not relieve the Contractor of any guarantee or warranty, express or implied, nor shall it be considered an acceptance of material not in accordance with the Specification thereby waiving the College's right to request replacement of defective material.

ARTICLE 3
